To understand events in the Middle East, such as the advent of ISIS, we should listen to revelations made by retired General Wesley Clark in March 2007:

As early as 2001, the "Pentagon" had plans to take down seven Islamic countries, Iraq, Syria, Lebanon, Libya, Somalia, Sudan and Iran.
In 1997, a group of Republicans formed a non-profit organization called the Project For A New American Century (PNAC). In their first white paper, Rebuilding America’s Defenses, they proposed taking down Saddam Hussein, Iraq and then reordering the entire Middle East. Parenthetically, they admitted that selling such plans to the American people would take a long time, "absent some catastrophic catalyzing event like a new Pearl Harbor." (p.51)

September 11, 2001 was obviously just what they had in mind.

In 2000, the US Supreme Court selected another Bush as the 43rd US President and he waited until 9/11 to begin reordering the world.

In that connection, in March 2007, retired General Wesley Clark told Amy Goodman on her Democracy Now TV program that as early as September 2001, the Pentagon already had plans to take down seven Islamic countries, Iraq, Syria, Lebanon, Libya, Somalia, Sudan and Iran. If you have not seen the short You Tube of General Clark's revelations on Democracy Now, it is worth watching.

At that time, I was skeptical about such a large US Military operation, because we all knew The Bush Administration lied us into Iraq with phony stories of Weapons of Mass Destruction, yellowcake uranium, mobile biological weapons labs, etc.

In 2007, the US Military only occupied Afghanistan and Iraq, so I asked myself, "How will the White House justify the military cost to the American people of invading Syria, Lebanon, Libya, Somalia, Sudan and Iran?"

By 2011, the answer became clear. The unnecessary wars against Syria, Lebanon, Libya, Somalia and Sudan would be staged covertly as irregular military coups with the US Military and CIA supporting PHONY democracy or "Islamist"movements.

Remember the baloney about 'Arab Spring' and the spontaneous 'Twitter' revolutions supporting "civil unrest" in Egypt, Tunisia and Libya?
Was the USA behind these civil wars and bogus democracy movements? OF COURSE!

Remember 2011 when Libyan Al-Qaeda could not budge Gaddafi’s Libyan Army, the US and NATO enforced a NO Fly Zone over Libya and launched hundreds of cruise missiles in support of Al-Qaeda and the rebels.

By Oct 20, 2011 Muammar Gaddafi was a dead man and Libya was a war torn shattered nation. But no one in America feels the least bit guilty about America’s role in trashing Libya. Most people believe these events were spontaneous democratic revolutions. Doesn't anyone remember the PNAC's plans to reorder the Middle East?

GADDAFI RESISTANCE KILLED US AMBASSADOR

In Sept. 2012, we lost Ambassador Steven in an attack on the US Consulate in Benghazi. The press wants us to think that we brought "freedom and democracy" to Libya, not chaos and death. They want us to believe that there is no Green Resistance to the NATO or its Al-Qaeda allies in Benghazi, but everyone in Libya knows about the Green Resistance, whose members are called "Tahloob" (Arabic for "Gaddafi loyalists").

In reality, the Green Resistance destroyed the US Consulate in Benghazi September 11, 2012. They have been increasingly active since shortly after the murder of Muammar Gaddafi in October 2011. They strike any NATO target they can, and they execute key Libyans who betrayed Gaddafi and sided with NATO. The Benghazi incident was merely their latest blow against what they see as NATO’s illegal occupation of their country. Ignoring the Tahloob only happens outside of Libya, by the NATO powers and their subservient media.

In Egypt, President Mohamed Morsi of the radical Muslim Brotherhood replaced moderate Hosni Mubarak, and he was subsequently deposed. While Obama and Romney trade accusations about whether The Obama Administration was guilty of leaving the grounds of the Benghazi Consulate vulnerable, THERE IS NO SERIOUS DISCUSSION REGARDING WHETHER THE US MILITARY SHOULD SUPPORT THESE PHONY REVOLUTIONS IN THE FIRST PLACE.

WAGING WAR WITHOUT PERMISSION
More disturbing is the US Congress is side-stepping its US Constitutional duty to declare war, but the press ignores this failure too. The CIA shouldn't decide whether we go to war. The US Congress should debate and decide, so Congressmen can be responsible to the American people come election time.

There is a Constitutional debate in America regarding whether Obama is in violation of the War Power Act in regard to Libya, BUT THE MEDIA IGNORES THIS VIOLATION.

"May 20, 2011, marked the 60th day of US combat in Libya (as part of the UN resolution) but the deadline arrived without President Obama seeking specific authorization from the US Congress. President Obama, however, notified Congress that no authorization was needed, since the US leadership was transferred to NATO, and since US involvement is somewhat limited. On Friday, June 3, 2011, the US House of Representatives voted to rebuke President Obama for maintaining an American presence in the NATO operations in Libya, which they considered a violation of the War Powers Resolution." http://en.wikipedia.org/wiki/War_Powers_Resolution

CONCLUSION

The purpose of this reordering of the Middle East is to remove or weaken any power that is independent of the Illuminati central bankers, represented by the NATO powers and Israel.

It is progressing well. Libya is in chaos. Syria is in ruins. Iraq is in turmoil. So are Somalia and Sudan. ISIS is establishing a "Caliphate" that reaches from Northern Iraq across Syria to Lebanon.

The only country left standing is Iran, and given its increasingly close ties with Russia, we assume the Illuminati is saving that for a world war.

First Comment from Marcos:

The Illuminati strategy in the Middle East makes little sense unless we understand some of their esoteric beliefs. Talmud Jews expect the arrival of Messiah Ben-Yosef, a military leader who will crush Israel's enemies and enable the world empire of Messiah Ben-David. The occultist Illuminati share a similar belief in a global leader (Christians call him the antichrist) who will rule from Jerusalem.

For these extraordinary events to happen, a traumatizing war must occur first. It should be much easier to promote this total war if all Israel's neighbors are crazy fanatics prone to violence, and not moderates such as Mubarak. Let the tension grow and nuke
them all in retaliation for some false flag or real attack on Tel-Aviv with a dirty bomb or biological weapon launched from Syria or Iraq.

This view would explain why Israel is unnecessarily cruel in his actions against Gaza and Lebanon, targeting civilians with no objective military advantage. The more the Arabs hate Israel, the higher the tension and the closer the total war.

**Comment from Jim Perloff:**

The Evans article and comment by Marcos are superb. The 2007 Wesley Clark clip jives completely with [Pat Buchanan’s Feb 16, 2004 column](https://www.patriotcitizen.com/2004/02/16/cigars/) in which he wrote:

"In 1996, in a strategy paper crafted for Israel's Benjamin Netanyahu, Richard Perle, Douglas Feith and David Wurmser urged him to 'focus on removing Saddam Hussein from power' as an 'Israeli strategic objective.' Perle, Feith, Wurmser were all on Bush’s foreign policy team on 9-11 . . .

On Jan. 1, 2001, nine months before 9-11, Wurmser called for U.S.-Israeli attacks 'to broaden the [Middle East] conflict to strike fatally . . . the regimes of Damascus, Baghdad, Tripoli, Teheran and Gaza . . . to establish the recognition that fighting with either the United States or Israel is suicidal.'

'Crises can be opportunities,' added Wurmser. On Sept. 11, opportunity struck."

The elimination of Saddam Hussein, Gadaffi, Mubarak (as well as the intended removal of Assad) are obviously part of long-range plan to throw the Middle East into chaos; 9-11 was the false-flag catalyst to make it happen. As to the probable purpose of this chaos, I could not summarize it better than Marcos has. Why else is the mainstream media suddenly publishing pictures of Palestinian victims, something it normally never does? They would love to enrage disorganized Muslims into fighting a war against Israel with its state-of-the art American weapons.
The "global chess players" like the PNAC creators are made up with dual Israeli/American citizens. This makes them immune from prosecution in America because they are allowed to retreat to Israel without being tried as American citizens. Therefore, for all intensive purposes, they are a literally foreign agents operating with immunity and impunity.

This was NOT a Republican Party thing. The "Neo Cons" have successfully infiltrated both parties in Washington, Democrats and Republicans. The completed hijacking of the American Oval Office took place under the George Bush Administration with the suspension of the US Constitution after 911.

Like Bush, the present Obama White House is under their misdirection and mercy. The present Foreign Policy of America is authored by them with America being used as the military enforcer for the coming Marxist World Order Government both here and abroad. Homeland Security was also their creation designed to thwart any internal domestic opposition that challenges their plan or authority.

Washington is in complete denial of their own takeover by this foreign entity because their power is present in almost all governmental agencies as well as non governmental agencies. What these politicians don't understand is that America will be "holding the ball" when Neo Cons like Richard Perle claim no responsibility for the PNAC agenda that has inflicted chaos on the Islamic Nations. They will turn on America in a "heartbeat" and proclaim themselves the victims once again.

America's last chance is to become Russia's friend and ally RIGHT NOW and break from these agents of the NWO who seek to destroy them and the world.

**Krister** said (October 25, 2012):

Firstly General Wesley Clark, quoted in the article might not be the best peace-angel:

"I'm not going to start the third world war for you," General Sir Mike Jackson, commander of the international KFOR peacekeeping force, is reported to have told Gen. Clark when he refused to accept an order to send assault troops to prevent Russian troops from taking over the airfield of Kosovo's provincial capital."

Secondly the linked article on GlobalResearch.com does mention the word "disinformation" in a header, before listing a lot of possible reasons and perpetrators of the Bengazi attack. But what the two authors of that article doesn't mention besides their listing of 13 or so possible perpetrators, is the "October surprise" dimension. I.e. a false-flag to make President Obama into a "President Jimmy Carter", a weak president who cant handle foreign "evil" powers taking Americans as hostages, or taking their lives, and by that - as Carter - will be in a position to be exchanged for a more "suitable" man (Romney) in the coming US presidential elections.

Below are some links to articles that point in the direction of a "October surprise" false flag (there might be more recent articles now on the net):

A «Price Tag» October Surprise in September for Obama

Anti-Islam film aims to force Obama support Israel attack on Iran
**Hans (Germany) said (October 24, 2012):**

Good article, but the reference to "Islamic" nations can be misleading. Iraq under Hussein was purely secular and staunchly anti-fundamentalist. The Illuminati require Islamic-fundamentalist regimes, to polarize, and to find prefixes to start another world war. Countries like Iraq with a high living standard and a peaceful life of Christians and Muslims next to each other do not fit the required stereotype.

Another reason for the war on Iraq may have been the fact, that in Baghdad alone lived 300,000 Christians without any problems. The so-called "West" is more satanic than any "Muslim country" aka Arabic nation could ever be, and goal No. one of the West is to exterminate Christianity, the only stumbling block to the NWO.

Libya was "guilty" of having again a very high living standard. Gaddafi certainly didn't rape, murder and rob his own people, and handing the loot and all assets over to banks, which is standard procedure of "western democracies".

Not 40% of Libyans were living on food stamps, but 40% of Americans are! Now NATO sends their Al-Qaeda puppets to Syria, to produce another "gaza-nisation" of a nation, followed by installing another regime of fake Muslim fundamentalists, who can be useful to pose as future enemies, giving further opportunity for war, more murder, more death, more blood sacrifice, more profits, and so on.

**KP said (October 24, 2012):**

It is a shame so many Americans (and Westerners) have no idea of the emphasis placed by the NWO on destroying Islamic nations of the Middle East.

NO revolution in the Mideast has been initiated by internal pressure. Rather, NATO and its agents have instigated and pushed for the toppling of leaders with the hope of inserting more compliant (pro zionist, pro bankster) agents in positions of power.

Bashar al-Assad has valiantly resisted the NWO's advances on Syria. His resistance is important, as the NWO cannot step into (on) Iran without first overthrowing and installing a compliant regime in Syria.

Each true Muslim nation of the world is under direct and indirect assault from the NWO and its agent, NATO. Is this because real Muslims comprehend that Usury is an immoral activity that offends God?

**Dan said (October 23, 2012):**

This article is spot on. The media story that embassy was attacked over a 14 minute soft porn video insulting Mohammed was nonsense. It was 'blowback' for smashing Libya's beautiful infrastructure that Gaddafi built for the people over the course of forty years.

In a speech given in Denmark in 2011 Vladimir Putin asked "Who gave NATO the right to kill Gaddafi?" Two years earlier Gaddafi was given over an hour at the podium of the United Nations to address the Assembly as the leader of a member nation.

Gaddafi held up a copy of the United Nations charter and complained that despite the promise of 'equality' between all member nations, that the Big Four do as they please.

Hillary Clinton and Obama of the US, Cameron of Britain, Sarkozy of France, and Italy muscled the little nations of NATO to go along with what amounted to national piracy.
Gaddafi’s 2009 UN speech is worth listening to. Compare it with the comic book rhetoric that Obama and Romney gave us in the "debates".

http://www.youtube.com/watch?v=YuMTzyxAuzs&feature=related

"In some ways this speech is prophetic, as Gaddafi identifies the very inequities inherent in the UN that were to become the instruments of his murder & the annihilation of Libya."

Asim said (October 23, 2012):

Read the latest article with great interest. I would add another country to America’s hit list-and arguably, it's penultimate target-Saudi Arabia. Saudi Arabia has the worlds largest oil reserves but more importantly, it i the nerve centre of orthodox islam via Makkah and Medina. Once this nation completely falls under the illuminati’s control-then all hell will truly break loose worldwide.

CURRENT EVENTS ARE DRIVEN BY AN OCCULT AGENDA, THE CABALISM OF THE ILLUMINATI.

The Rothschild Cabalist Bloodline,

Operating through their control of Saudi Arabia, the Bank of England and British/American Imperialism, conspired to break up the Ottoman Empire and keep the Middle East backward. how they used a variety of cults like Wahhabism (1700's) and Salafi (1900's), and Masonic secret societies like the Muslim Brotherhood (1930's) to divide Islam, create fanatical fundamentalism and foster terror in preparation for the coming "War of Civilizations -

The lowest [terrorist] ranks may sincerely believe they are defending Islam and confronting "Western Imperialism."
However [they] serve the same Illuminati cause... their channels penetrate to the upper reaches of power in the British and American governments, and outward into the nether regions of the criminal and occult undergrounds.

SMOLOKO.COM - REPORTING THE TRUTH

The Syrian “civil war” is wholly funded and directed by the West. It is part of the Arab Spring whose purpose is to “sow chaos from Morocco to Afghanistan.” In turn, this reflects the Cabalist doctrine that “order” (i.e. NWO tyranny) will arise out of destruction. The take-away? We’re not likely to see peace until all “resistance” to the NWO, real and imagined, is quelled. – See more here

MARCO’S FROM HENRYMAKOW.COM SAYS,
"THE ILLUMINATI STRATEGY IN THE MIDDLE EAST MAKES LITTLE SENSE UNLESS WE UNDERSTAND SOME OF THEIR ESOTERIC BELIEFS. TALMUD JEWS EXPECT THE ARRIVAL OF MESSIAH BEN-YOSEF, A MILITARY LEADER WHO WILL CRUSH ISRAEL’S ENEMIES AND ENABLE THE WORLD EMPIRE OF MESSIAH BEN-DAVID. THE OCCULTIST ILLUMINATI SHARE A SIMILAR BELIEF IN A GLOBAL LEADER (CHRISTIANS CALL HIM THE ANTICHRIST) WHO WILL RULE FROM JERUSALEM.

FOR THESE EXTRAORDINARY EVENTS TO HAPPEN, A TRAUMATIZING WAR MUST OCCUR FIRST. IT SHOULD BE MUCH EASIER TO PROMOTE THIS TOTAL WAR IF ALL ISRAEL’S NEIGHBORS ARE CRAZY FANATICS PRONE TO VIOLENCE, AND NOT MODERATES SUCH AS MUBARAK. LET THE TENSION GROW AND NUKE THEM ALL IN RETALIATION FOR SOME FALSE FLAG OR REAL ATTACK ON TEL-AVIV WITH A DIRTY BOMB OR BIOLOGICAL WEAPON LAUNCHED FROM SYRIA OR IRAQ.

THIS VIEW WOULD EXPLAIN WHY ISRAEL IS UNNECESSARILY CRUEL IN HIS ACTIONS AGAINST GAZA AND LEBANON, TARGETING CIVILIANS WITH NO OBJECTIVE MILITARY ADVANTAGE. THE MORE THE ARABS HATE ISRAEL, THE HIGHER THE TENSION AND THE CLOSER THE TOTAL WAR."

JAMES PERLOFF RESPONDS, “THE ELIMINATION OF SADDAM HUSSEIN, GADAFFI, MUBARAK (AS WELL AS THE INTENDED REMOVAL OF ASSAD) ARE OBVIOUSLY PART OF LONG-RANGE PLAN TO THROW THE MIDDLE EAST INTO CHAOS; 9-11 WAS THE FALSE-FLAG CATALYST TO MAKE IT HAPPEN. AS TO THE PROBABLE PURPOSE OF THIS CHAOS, I COULD NOT SUMMARIZE IT BETTER THAN MARCOS HAS. WHY ELSE IS THE MAINSTREAM MEDIA SUDDENLY PUBLISHING PICTURES OF PALESTINIAN VICTIMS, SOMETHING IT NORMALLY NEVER DOES? THEY WOULD LOVE TO ENRAGE DISORGANIZED MUSLIMS INTO FIGHTING A WAR AGAINST ISRAEL WITH ITS STATE-OF-THE ART AMERICAN WEAPONS.”
Zionist America’s campaign to mobilize public opinion for air strikes on Syria has nothing whatever to do with eradicating medieval menaces known as ISIS. Nor has it anything to do with preventing the rise of a caliphate in the greater part of the Middle East, since ISIS hasn’t the capability to accomplish this aim. Even if it did, the rise of a caliphate is a matter for the people of the Middle East to decide, not Western powers. Lastly, until ISIS achieved startling territorial gains in Iraq, Washington was perfectly willing to allow, indeed, even to foster (what it now calls) “the cancer” of ISIS to “metastasize” throughout Syria. It expressed no apprehensions then about ISIS launching 9/11-style attacks on the United States, and did nothing to stop the flow of money to the anti-Assad group from supporters based in countries that make up its Friends of Syria (read Friends of US Imperialism) coalition. Warnings of an ISIS-engineered 9/11-style attack are, therefore, pure fear-mongering. In light of the above, we ought to ask whether, once launched, a US air-war in Syria will expand its target list from ISIS to Syrian government forces? Is the campaign to mobilize public support for an air war against ISIS in Syria a Trojan horse to escalate the war on the Assad government to further the aims of Rothschild’s globalism, and on a broader level, against the interlocked Hezbollah-Syria-Iran resistance against Zionist US domination of Western Asia? We think so…
The Obama administration has ordered the start of US military operations inside Syria, in addition to ongoing air strikes and renewed troop deployments in Iraq. Officials from US Central Command in the Middle East informed the Wall Street Journal late Monday that “the Pentagon is preparing to conduct reconnaissance flights over Syria.” The surveillance missions would be aimed at gathering the necessary information to carry out air strikes and possible ground assaults. The pretext for military operations into Syria is to curb the Islamic State of Iraq and Syria (ISIS), the Sunni-based Islamist force that has captured much of eastern Syria during the country’s three-year civil war and which this year seized large areas of western and northern Iraq. The US began air attacks on ISIS in Iraq earlier this month, claiming they would be limited to preventing the massacre of thousands of members of the Yazidi religious minority. The air campaign soon escalated into providing air support to Kurdish offensives to retake Mosul Dam and pushing ISIS fighters back from positions they held within 30 kilometres of Erbil, the capital of Iraq’s autonomous Kurdish region. Last week, General Martin Dempsey, the US Joint Chiefs of Staff, laid out the justification for extending the air war into Syria, telling a press conference: “Can they [ISIS] be defeated without addressing that part of the organisation that resides in Syria? The answer is no.” The murder of American journalist James Foley, who...
was being held prisoner in Syria by ISIS, has been seized upon throughout the American political and media establishment to call for attacks to begin. The corporate media has also extensively reported the weekend capture by ISIS forces of the last Syrian Army base in eastern Syria, the Taqba air base in the largely ISIS-held province of Raqqa. After heavy fighting last week, Syrian troops abandoned their defence of the facility on Sunday after suffering several hundred casualties. Some soldiers captured by the Islamists were reportedly beheaded. ISIS forces in Syria have been able to deploy armoured vehicles, artillery and other weapons captured from US-equipped Iraqi government units. The fall of Taqba is being used to amplify the Obama White House’s portrayal of ISIS as a threat to “US interests” in the Middle East and throughout the world. Behind such self-serving assertions is the reality that the United States is now directly intervening into a civil war in Syria in which Washington has provided tacit backing to ISIS and other Islamist groupings to oust Syrian President Bashar al-Assad.

Since 2011, the Obama administration and its European allies have openly supported the armed rebellion against the Syrian regime by various militias, while downplaying or denying the fact that Al Qaeda-linked extremists were the main forces fighting the Damascus government. Vast amounts of military hardware and training have been supplied to the rebels by US proxies such as Turkey and the Gulf States monarchies. Much of it ended up in the hands of ISIS, providing the very weapons that it used to launch its incursion into Iraq against the Shiite-dominated US client regime in Baghdad.
At least 200,000 people have lost their lives, 2.5 million turned into refugees and 6.5 million displaced due to the intrigues of Washington and its allies in Syria. The statements from the Pentagon make clear that whatever attacks are made on ISIS, it is not the only, or even the primary, target of US intervention in Syria. Officials told the Wall Street Journal on Monday night that American military forces “would enter Syrian airspace without any Syrian regime approval or authorisation.” That was the White House’s answer to a statement issued Monday by the Syrian government that “any [US] strike which is not coordinated with the government will be considered as aggression.” It appealed for “cooperation” with Washington. The Pentagon spokesmen dismissed the warning and offer of collaboration, telling the Journal that “Syrian air defense systems in eastern Syria won’t pose a threat because sensors are either sparsely located or inoperable.”
Rothschild’s America is preparing to intervene in Syria on the pretense of defeating ISIS, its goal remains regime-change. The toppling of what would be a third secular Arab head of state, following the overthrow and killing of Iraq’s Saddam Hussein and Libya’s Muammar Gaddafi.

The clear implication is that, while Washington is preparing to intervene in Syria on the pretense of defeating ISIS, its goal remains regime-change—the toppling of what would be a third secular Arab head of state, following the overthrow and killing of Iraq’s Saddam Hussein and Libya’s Muammar Gaddafi. Behind the rhetoric about protecting Americans and combating terror, Zionist US imperialism is prepared to unleash an even more catastrophic regional war to further its drive to break up the current state structures and assert its hegemony over the oil-rich Middle East.
In comments earlier Monday, State Department spokesperson Jen Psaki declared: “Just because the Syrian regime may be taking on Islamic State … it certainly doesn’t mean we’re on the same side of the coin here.” Such statements indicate that an intervention against ISIS could be used to take forward Washington’s objective of regime change in Damascus. The immediate prospect that looms is armed clashes between the Syrian air force and US war planes. In just one of the many admissions that US policy is wracked by glaring contradictions, Fox News commented: “[A] US campaign to weaken the Islamic State militants could actually strengthen a leader the White House has sought to push from office. Obama could try to counteract that awkward dynamic by also targeting Assad’s forces, though that could drag the US into the bloody, complex conflict.”

The US and its European allies (Rothschild Instruments) pulled back last September from launching a massive air assault on the Assad regime in the face of popular opposition at home and concerns over a confrontation with Russia and Iran, which both back Assad. Barely a year later, the Obama administration is preparing to launch military operations in Syria, where Iran is believed to have significant military forces and when relations with Russia have dramatically deteriorated due to the crisis in Ukraine. Moreover, there remains no support in the American population for a new war in the Middle East. Russian Foreign Minister Sergey Lavrov stated yesterday that the US and its allies had “to choose what is more important: to change the regime, and satisfy personal antipathies with the risk that the situation will crumble, or find pragmatic ways to join efforts against the common threat.”

The Obama administration has ruled out working with Assad regime and is leaving open the option of military operations in support of regime change. At the same time, the White House has flatly rejected any suggestion that it requires congressional approval to open a war in Syria, which would rapidly accelerate regional and international tensions.

THE ISIS THREAT: WESTERN LEADERS FEAR-MONGER TO MOBILIZE SUPPORT FOR AIR-STRIKES ON SYRIA

OBAMA VOWS PROTRACTED MILITARY CAMPAIGN IN IRAQ, SYRIA

http://smoloko.com/?p=1473
NEW YORK CITY — Eat your heart out, Julian Assange! A new whistleblowing website is publishing the top secret plans of the Illuminati!

The shadowy secret society is said to be the "unseen hand" that controls world affairs like a puppeteer, pulling the strings of governments and corporations alike.

The agenda of the centuries-old organization has always been a closely guarded secret known only to its members – until now. The new OmniLeaks.com, which goes online next Monday, promises to unveil the order’s ultra-secret 15-Year Plan. And the information dwarfs anything exposed by the infamous WikiLeaks.

"With all due respect to Mr. Assange and WikiLeaks, the data in those leaks was old hat," declares Roger Grenway, founder of OmniLeaks. "It was no surprise to learn that many of America’s ‘allies’ secretly hate us or that Swiss banks hide the assets of crooks and dictators.

"By contrast, much of what we’ve gleaned from these Illuminati documents is earthshaking and will affect the future of every man, woman and child on the planet."
The Illuminati’s ultimate goal is to usher in a New World Order. The Illuminati documents come from two main sources: The first is a computer file retrieved from the organization’s computer system in its Geneva headquarters.

“Our team of hackers had to penetrate 12 layers of firewalls and defense mechanisms,” Grenway explains. “Once the documents were in our hands, leading cryptologists hired at great expense had to decipher the 78,000 words of text, written in the legendary Illuminati Code.”

Many of the world’s most brilliant minds, from Alan Turing, the famed World War II code-breaker and father of the computer, to Albert Einstein himself, have tried to unlock the incredibly intricate code in the past, to no avail.

“After eight months of tireless, around the clock work, our team succeeded,” the whistleblower claims.

“The other half of the 15-Year Plan comes from handwritten notes on a yellow legal pad, accidentally left behind after an Illuminati meeting and found by a cleaning lady.”

WHOOPS! Papers inadvertently left behind on conference table yielded vital clues about Illuminati plans. Here are ten of the 57 Illuminati plans Grenway has uncovered:
1. **USE THE INTERNET AS SPY TOOL.** “Having made ‘social media’ universal and gaining access to the purchasing habits, interests and real-time thought processes of American citizens, we can now move onto Phase 2, a monitoring system not unlike the one envisioned by Mr. Orwell.”

2. **BRING BACK DEBTORS PRISONS.** “With the aid of the populist movement now successfully in place, pass the American Freedom and Responsibility Act. Citizens who default on loans shall be imprisoned, establishing a pool of inexpensive prison labor.”

![Debtors Prison]

*DEBTORS PRISONS will provide a rich source of cheap labor, as well as colonists.*

3. **ESTABLISH NEW RELIGION.** “A powerful new ‘Third Estate’ shall allow us to exert influence akin to our past control of the Catholic Church. Merging of Scientology and Christian Science to form this new sect will be a simple matter, as many people already confuse the two.”

4. **LIQUIDATE INDIA’S COWS.** “Retrofitting grazing land for use cultivating crops as well as distribution of beef will greatly reduce world hunger.”

![Cows]

*COWS are sacred according to Hindu religion -- but slaughtering India’s cattle could end world hunger, the Illuminati believe.*

5. **INSTITUTE A SINGLE UNIVERSAL CURRENCY.** “Attempts to use paper bills bearing the likeness of any U.S. President must be severely punished. Suggested sentence: seven years in a federal penitentiary.”

6. **EXTEND SUBLIMINAL MESSAGING.** “Subconcious-targeted messages via television, radio, films and Internet are a proven success. Expand program to include computer games, thereby to maximize re-education at most malleable age.”

7. **ESTABLISH A UNIVERSAL LANGUAGE.** “Sinoanglohin!di, created by our linguists, shall be the official language, accelerating globalization. Note: we must see that this is imposed more effectively in the United States than the metric system, our most dismal failure.”
8. COLONIZE ANTARCTICA. “A penal colony on the Seventh Continent, including volunteers released conditionally from debtors prisons (AKA Freedom Centers) shall be step one. Colonization will help ease population concerns, so that Protocol 273 can be postponed.”

Antarctica, the coldest place on Earth.

9. OUTLAW LABOR UNIONS. “Exploit the resentment of firemen and teachers that Member 72 has successfully fostered to pass a federal law outlawing collective bargaining. Reduced wages in U.S. will spur the global economy.”

10. RETURN MIDDLE EAST TO PHARAONIC RULE. “Having successfully engineered the collapse of key Mideast governments, put in place a regional ruler to restore order. This shall lead to lasting peace in the Holy Land.”

The time frame for these huge changes is not clear.

“We only know that this is all to take place within 15 years,” says Grenway.

The origins of the Illuminati are hazy. Many historians believe the outfit was founded in May 1776, in Bavaria by one Dr. Adam Weishaupt, a professor of Canon Law at Ingolstadt University, a former Jesuit, and devotee of Machiavelli. Nine years later, the Illuminati were banned by the Bavarian government for plotting to overthrow all the kings in Europe as well as the Pope. But the organization went underground and has continued to act behind the scenes, cooking up various conspiracies up until the present day.

MYSTERIOUS Dr. Adam Weishaupt played key role in Illuminati.

“The Illuminati have been credited with sparking both the French and American revolutions,” says Grenway. “It’s certainly no coincidence that the Declaration of Independence was signed barely two months after its founding.

“The organization has had a hand in every war since then, up to and including Operation Iraqi Freedom, on one side or another — or sometimes both.”
Signing of the Declaration of Independence marked one of Illuminati’s greatest successes. "Some of their efforts are well intentioned, but go sour as in the case of the French Revolution — they didn’t foresee the Reign of Terror," Grenway maintains. "Their ultimate goal is the establishment of a New World Order. The problem is, no one outside the organization knows exactly what that means.”

**REIGN OF TERROR:** Some of the Illuminati’s plots got a bit out of hand, as in the case of the French Revolution. Some historians believe that Weishaupt didn’t invent the Illuminati, but only revived it. Experts have traced the mysterious order back to the Italian Renaissance, to the Knights Templar, to Greek and Gnostic cults — and some even contend the secret society dates as far back as ancient Egypt.

The Illuminati have been hatching schemes since at least the Renaissance, some experts say.
“Our researchers haven’t nailed down the Illuminati’s true origin,” says Grenway. “Nor do we know whether anyone can thwart their plans now that we’re making them public. The power and influence of the Illuminati are unthinkably vast.

“We can at least hope that members of the public can make sound decisions based on what we now know is coming down the pike.”

excuse me miss. your word is "god" not "God". and please, use dots.

You must be an illuminati member! Why get upset because Octavia told the truth, Guillermo? All of those celebrities know better, they are not babies nor children, they knew who God (capital G) is and still turned to satan (small s)! The truth always hurt evil doers, if I get down to my last penny I will never turn against The Most High God and those rich famous celebs (small c) are not happy rich! the false money does not come free in hollywood (small h) it cost a big price ahhhh like murdering family members, close friends, ahhhh doing evil rituals! Guillermo, it will not take much for satan to get your soul because I see you are down with evil doers and all satan have to do is offer you a date with lil wayne and you will go and satan will LHAO! LMAO now. You may be excused to satan sir!

if you belive in god, then how can you hate?

*God

any human can do anything in the World because anything has a reason and god will forgive you god dont care if youre killer or leader of killers god just know anything has a reason devil punish people god forgive and love all people even illuminati but time will come where illuminati no longer rule the earth satan will lockup in 2000years and if he come out he will try to destroy god but fail and get eliminated

I would just like to say that its a capital G in God and any noun, pronoun or adjective involving God has to capitalized...thats because God is to be glorified but you can read the bible to gain more insight into the Lord. But I digress my main reason was to tell you that its not right to say you will never turn your back on God and also say [ever] that you that you hate someone [I am not judging because I too am growing iis Christ] I say this because we are taught in the bible that Jesus Christ is love and that hate is not of
God because God is good and hate is evil. I'm not quoting the bible but if you read and study the bible you will see that what I am saying is truth. Once again I'm not judging you and I am not perfect...only Jesus was and is... and I also have things that I need to pray about and repent. But as you should know Jesus is the Way, the Truth and the Light. He is also the only way to salvation but you can study up on that. Feel free to respond to the post if you'd like to talk anymore and hopefully you'd like to because it's always good to find other brothers and sisters in Christ to help support in their walk.

It is all evil, satan doings. Those insane celebs are living a fantasy, the real rich life is in Heaven. If you really want to no more about it just type in illuminati news and search about those famous celeb of demons, also go on youtube. I found some shocking information about Martin Luther King, that man was a demon, I typed in my search Martin Luther King illuminati and you won't believe what I read, I am happy I never marched for that demon and his wife Coretta was no good, she was for gays and lesbians, the rumor is Bernice King is bi-sexual. Whatever celeb you want to know about just type in their name with the word illuminati, also check out celebs bohemian grove. I hope and pray this answers your question because God is angry at the wicked everyday, none of those celebrity folks worship our Heavenly Father but they worship their false god which is satan. God Bless

Alright people listen up. NONE OF YOU know who God is or what His intentions are. If you did then you wouldn’t HATE anyone for ANYTHING. You are allowed to be angry but to hate? THAT IS NOT THE WAY OF GOD! God is about love and compassion. You also have no right to pass JUDGEMENT. Telling them that they will burn forever is NOT ours to pass. We need to feel sorry for these people for they ARE under Satan’s influence. Only GOD can break them from their unseen bondage. There are rumors of Illuminati mind-control circulating the internet. Now for those of you who think ME to judge, you are wrong. I am CORRECTING you. I may be disqualified from passing judgement do to my sins but that in NO WAY disqualifies me from correcting people. Another thing, the Bible does NOT support the subject on "hell". When the Bible was FIRST translated into english back in the 1500’s the very definition of hell meant "grave". What the Bible DOES support is that when you do die you cease to exist for a short period of time. Now this is where Jesus comes in, the world will be ruled by Christ (the 2nd coming). In His rule He will RESURRECT the dead for a second chance to learn the TRUE WAYS of God. ALL whoever lived and died will get a second chance. Thats right ALL, including Hitler. Even the folks of Sodom and Gammorah. For those you who cannot put the peices together think about the definition of "MORTAL". The Bible DOES NOT SAY when you die your existence continues elsewhere, THAT CONTRADS THE VERY DEFINITION OF MORTALITY!!! A merciful and loving God WOULD NOT TORTURE YOU! He will
simply put you out of your misery. The Bible DOES NOT contradict itself, it is MAN who contradicts the Bible. There is more I can share but it would take books to write everything I know and I’m typing with an XBox controller as you can probably imagine that this small message took me over an hour to write.

Anonymous, do you know who God is? First off, I know who God is and I also know God is angry at the wicked everyday and his intentions are his intentions. No one said anything about hate toward anyone, and as far as the Judgement of God, everyone who has ever bowed down to satan for money and worshipped their false gods have already been judged in the eyes of Most High GOD because they chose satan for their god, though they will have a chance to repent, there will yet be those stupid ones that will not repent. And no I don’t feel sorry for stupid individuals who has and always had rights to read the KING JAMES VERSION HOLY BIBLE, those evil people like eastern stars and masons no better, they are not babies nor a child! I do however feel sorry for small children that are being lead astray by their money hungry parents, getting them involved with the entertainment industry! You need to correct what you stated about feeling sorry for satan doers, satan laugh at people that feel sorry for his doers and he then bring attacks upon the sorry feeling ones of his helpers! I am and have always been a true believer of our MOST HIGH GOD, you may want to rethink what you have stated. GOD BLESS YOU for real.

That is the sound of a judgement call. Are you passing judgement upon them? The children that are being lead astray you speak of has been on-going for THOUSANDS OF YEARS. You mean to tell me that you don’t feel sorry for the misled adult who was born into that evil society? You do not know those people or what they are going through. You obviously didn’t read some of the previous comments before my own. There are people who “hate the person instead of the sin” that is obviously not the way of God. The day of judgement has yet to come so no they have not been judged. God DOES know who will be judged but to say that it is done is error. People need to stop bashing the King James version, any english translation after King James has been deluded with false interpretations and erroneous assumptions. Yes I admit that there are some errors in King James but those errors do not compare to those prior. However, it IS written “the whole world will be deceived” and granted people are beginning to open their eyes to the Illuminati’s schemes but that in NOWAY means people are waking up to the true message of the Father and Christ. Do you know the message proclaiming the coming kingdom of God? Not many do. This pivotal piece of truth is MORE important than getting to know your enemy who is Satan. You cannot go to “church” expecting to learn about the message, instead you get deluded speech about the messenger. Satan has long infiltrated “churches”. If you think Satan doesn’t spread false doctrines in Christ’s name, you have been deceived.

Anonymous, for thousands of years it is parents that should have raised their children up righteously. And I never said I judged anyone, no one can fool God up above and as long as parents allow their children to worship satan doers, they will continually get lead astray, each person on this earth is responsible for their own doings! God created his earth perfect and the King James Holy Bible made no mistakes, as far as you stated about false doctrine, I advise millions of people to stop worshipping false prophets! That is why The Holy Bible reads "Be aware of false prophets coming in sheep clothing" that is all you see on tv are false prophets, most ministers are masons and eastern stars! I never said I hated no one, but I do dislike how grown folks turned against God up above for satan and no man can serve two masters, so who do you worship and serve Anonymous, God up above, or satan and his doers? No, I donot feel sorry for not one adult that joined satan organizations because no one had a gun to their head making them commit to satan, futhermore they did their own doings. My mother raised me as a single parent we was very poor, but God up above provided everything, not satan, satan is a liar and sucking in as many weak minded souls as he possibly can, the ending of time is very near Anonymous and stupid people will see with their own eyes how real God and his Son Jesus is compared to satan, people that are rich on earth is not really rich because God did not give it to them, satan did it, why is it that each celebrity have to be used for a sex slave for satans money and performing evil rituals? because it is not God doings. If God wanted any and everyone to be rich money would fall from the sky 24/7, the real rich life is in Heaven, we all are living on borrowed land and that is why total destruction will soon take place so that God can create a new Heaven and a new Earth, satan corrupted everything on Gods Earth, even the people. There will only be 7000 chosen ones that will not bow to satan. The Most High God Said, "Heaven And Earth Will Surely Pass Away, But My Word Will Stand Forever", keep in mind Anonymous, that The Most High God is perfect, he don't make no mistakes(Amen)

Do you really think that nobody had a gun held to their head? What do you know? That is EXACTLY what is going to happen when the New World Order comes into effect. If you do not accept satan and his doctrines they will kill you. This goes on in these occultic societies and pretty soon they’re gonna push their methods on the rest of the world. It will be a dog eat dog world. I want NO PART of that. I would rather be dead than to serve satan. Those within the occult who renouce satan usually end up dead, just look at John Lennon, JFK, Michael Jackson, Kurt Cobain, Jim Morrison, Amy Winehouse, Tupac, Biggie, Chris Benoit, Heath Ledger, and the list goes on and on and on. These people broke the satanic oath and died for it. Children who are brought up in the occult on in to adulthood have been through sick and twisted experiences. They’ve had to KILL in order to stay alive. So to say "nobody held a gun to their heads" is a faulty assumption. Somebody WAS holding a gun to their heads and sub-consciencly somebody still is. I feel sorry for that. I pity them young or old. Only our Father and Jesus Christ who are in Heaven can cleanse and bring peace to their hearts. And just remember the Illuminati controls the media so you will not find any coverage regarding these practices at any major media site. What you need to do is look up "Svali” educate-yourself.org . This person knows what the occult is like. When you read it you will get the idea that somebody IS holding a gun saying, "If you leave, we will kill you” or "pledge you legions to satan or die”. As a child you don’t know what to think but as an adult you’re scared that if you leave somebody will be sent to hunt you down. Just trying to put things into perspective here.

I may not be the smartest person in the world, or the richest, or heck, for that matter, the humblest. But that is besides the point.
The Illuminati IS REAL. They WILL kill, they WILL steal, they WILL DENOMINATE US THROUGH FEAR. Fear is their weapon, fear will kill men, women, and children alike. We will be liken unto BEASTS of the Earth to them. They will DENOMINATE the ENTIRE world with an IRON and BLOODY fist, killing, stealing, and TERRORIZING the PLANET. They will plunge the world into war, killing the smartest that WILL NOT SUBMIT off. They will DECIMATE the population. They will start with the old, and the young. They will put soft metals, (alluminum, etc) into our water, our food, telling us it is for our own good. It will make them go mad, loose their minds. The old will die off, leaving the young and the middle-aged without the wisdom of the old, and wise. Without this wisdom, they will go astray, being led by the popular and most influential people on the planet. THEY WILL RULE US IF WE SUBMIT!
IF WE REFUSE, THEY WILL KILL US. ACCEPT THE LORD YOUR GOD AND TAKE JESUS CHRIST, LORD OF LORDS, PRINCE OF PEACE AS YOUR RISEN SAVIOR AND REFUSE TO SUBMIT.

21. Those evil doers for satan are trying everything to take Godly ones down, from tv, music, food products, and medications. They even have physicians taking people out now because most physicians are masons, and you may be surprised to know that some nurses are corrupt eastern stars, there are so many evil doers on earth that believe in satan, and we must not fear evil but fear GOD up above. Regardless to how hard times get, we may parish due to not taking the evil mark of the beast RFID chip. But trust me GOD will provide, I will not take no freaking chip implanted under my skin, I rather die first, why not? Jesus died for us and our sins. TV is one of the nations worst killers because viewers are being brained washed to believe all types of evil that they see on tv, each time millions of home...
viewers watch stuff on tv like the Christopher Donar murders, or way back to the OJ Simpson case, the government has rack up billions of dollars and they continue to setup more murder plots for the public eyes to view in on tv, just like innocent children and people come up missing and never found, WAKE UP PEOPLE! the illuminati is all behind this and they prey on blood sacrifices. If you notice, there has been nothing else said about the Christopher Donar murders, why was the parents of Christopher Donar never heard of? Look back on the murder of Michael Jackson, it was strange that not one of his relatives was not by his bed side when his sickness first took place(illuminati) Look back on the murder of Whitney Houston, it is strange that after her murder to a sudden her family began a tv show called The Houstons On Our Own and her mother Cissy now has a book published, it is my belief that Whitney’s family members sacrificed her and many others like Clive Davis, Ray J, his sister Brandy, even to president Obama either knew about or was a part of the sacrifice of Whitney Houston even Madonna knew about Whitney’s murder, remember the halftime presentation that Madonna performed, and there was a W in the center of a symbol? even Whitney herself knew that her death contract had expired, she was no more use to the illuminati after they set her up years ago by supporting her drug habit, a long story people. You would be surprised to know that Obama and other Presidents are not who you think they are, each of those Masonic Mason Presidents are GAY! yes, yes, and yes and their first ladies are not who you really think they are but I can not go into detail, there is something very personal that would shock you as to what each first lady in that White House has gone through or is going through, they must take it to their grave people, shhh. I have had so many dreams about certain celebrities forehand and afterwards the dreams have come true, one was about Nick Cannon, another dream I had about Whitney Houston after her death, one dream about Rhianna, I had a dream about two so called gospel singers, Mary Mary and you want believe what I dreamed about those two women, I had a stunning dream about Beyonce, yes, and finally I dreamed about Babyface. You see people, who really believe in God up above, and once dreamed of becoming famous it was never meant by God and now I am so happy I never became famous. I could take a polygraph test and pass with flying colors about the dreams I had of the celebrities I’ve named, not last but least I had already dreamed that Barack Obama would be President before he was nominated, I am not looking for no publicity at all but everything I’ve stated about the celebrity dreams are true, finally I dreamed about what will happen in the last days and I’ve warned my husband to get ready, people it will be something this world has never seen before! You no, there are so many people that are locked into careers that was never meant for them, did God want each of us to really do the careers we chose to do? think about that; GOD BLESS TO ALL

Anonymous, I have had deceased family members that was involved in false organizations and no one held a gun to their heads, ok. I know that no one can make someone want to become rich! Stick to the facts here, the New World Order is already here, where have you been? You say that righteous people will be killed if they donot accept satan, if this is the case God will protect his chosen ones, no doubt, now, from past older celebrities their bloodlines where created for their future generations, but there are new comers that did not have to join the illuminati, which relates to what you ask me, do I really no if someone had a gun held to their heads? No, they did not. When a person signs an entertainment contract agreement it is their own doings, they know right from wrong, so they want to be rich and they must pay the big price of satan, death my friend. So don’t ask me what I know, God know that those people did not have to do what they did. Do your research of what God wants, and you also stated that celebrities had to kill in order to stay alive, well, well, and well, I guess they never read the Holy Bible in Exodus which reads Thou Shalt Not Kill. If stupid people stay away from satans evil doings like the illuminati and wanting to be rich, they will not have to worry about guns being put to their heads, and it might would be a better world, that’s what this is all about people wanting to be rich but too stupid to see that satan is killing them slowly with mind control. You aren’t telling me nothing new about the media friend, read the comments I made about tv home viewers. And you tell me, how can God bring peace to ones heart that have already given their soul to satan, with demons involved? I no someone right now that gave their soul to satan, and was a minister mason and have to sleep with his lights on all night but he wants God to hear him, because he’s suffering from Alzheimers, God plays second to no one. Let me ask you this Anonymous, You say you feel sorry for those people if a gun is held to their heads, right, Do you think they will feel
sorrry for your ass if a gun is held to your head, once the new world order start like you claim? No they will not, because they are down for satan doings, the occult have those peoples mind to think deadly and sexually. When the media talks about children being gunned down or people in general, how many celebrities on tv say they are so sorry the people/children that was killed, or have celebrities start foundation to find killers? Now, when Travon Martin was murdered the media made a big deal, and you no why? because Travon’s daddy is a mason and he owed the killer’s dad a favor, it was planned, Why do you think Travons mother stated it was a mistake? Why come the media did not make a deal of it when many other children have been murdered? Practice what you preach Anonymous, and I feel sorry for stupid people that allow themselves to feel sorry for the stupid, just like a dummy riding on a dummy. May God Bless You, Your Mind And Soul.

You have said some down right ignorant, arrogant nonsense trying to boost your pride as if you are better than most. A true follower of God will do no such thing. Call me stupid will you? You claim to be religious? Such appropriate tone... Just admit you know NOTHING. You maybe better up-to-date on what goes on in the world than I am but uhh... how goes your Bible studies? Could you tell me the meaning of life? Why we exist? What our purpose is? Who are we? What are we? Why are we? Does it make any difference which days we observe- or rather we keep them? Does the Bible establish whether we are to keep certain days Holy to God? Where these days given to ancient Israel only? Are they binding today only on Jewish people, while Christians are commanded to keep holidays such as Christmas? Why is the worlds best-selling book held in awe by some, in passive discredit by others and understood by virtually none? Could it be that the real gospel message Christ brought from Heaven revealed the missing dimension of the purpose of our existence- but was it suppressed? Does the Bible establish Sunday as the LORD’S DAY? Was the Sabbath Day given to the Jewish people only? What does it mean to be "born again"? What is it that science cannot discover about the human mind? What is FAITH? If you can answer all of these questions correctly and live by them, then I am all ears for you. I suggest writting them down and get studying, cause I have no faith in you being able to answer. Knowing the answers to these CRUCIAL questions are what's going to save you, its gonna take ALOT MORE than just believing that Jesus came and died for you, its not that simple. I pray that you find the answers cause you are gonna need them. God Bless.

23. You sound like a ragging lunitick Anonymous. The truth of the fact is you no nothing about God nor The Holy Bible, my pride is in and with God up above and I am religious for my Most High God, you nor satan doers can change that. If you was a true follower of God you would not speak for evil doers, and I know a whole lots, one thing is that, you are the most stupidest, no business minded, junkyard insecured person I have ever responded to on this website. You need to learn who God really is and your asking me to answer such questions when you don't no what they mean, do ya? Can you tell me why evil doers worship satan, Solomon and his temple and not God? We was created through Adam and Eve, and as far as your other nonsense crazy questions ask them to satan doers like yourself, if you knew about Bible Studies you would not ask me such nonsense questions in term, which goes to show you don't know God, God did not create no given names for days, nor months, all of this was done by man, and I would like for you to answer your own questions on here, after you talk with your satan doers so that everyone on here can see how ignorant you really are for satan doers. I am not perfect but I do know God and looks like I got under your skin before the RFID chip got into ya, the truth can really hurt evil doers, I pray that you very soon find answers of how God feel
about satan doers, better yet, read Matthew 5:11, read Romans 2:9 read 1Timothy 6:10 read Psalms 7:11 read Proverbs 11:5 and read the entire book of Revelations, then get back with me when your feelings stop being so hurt, other than that don’t respond to no more of my comments because God know who’s right and who’s wrong. I was raised by God and his Holy Words in the Kings James Version Holy Bible, but you worship satan doers, and Christians are not commanded to worship no Holiday friend, that choice is up to them, you don’t read nowhere in The Holy Bible about no holiday names, this was all satan and mans doings my friend and no one on Gods earth know that Sunday is Sunday nor any other name of each day, we only live day by day but I do know that when God is ready for this world to end everyone shall tremble with fear especially satan doers, I fear God not satan, and knowing my heart is right with God is what will save me and many others. Worry about who and what will save you, I gurantee you, you will need more than answers in due time Anonymous. And what God need is for people like yourself to stop giving praise to evil celebrity doers, remember, God is a jealous God. God Bless

Why do you hurl insults at me? You do not know me. Do you realise that you hurt me in the things you say? Who do you think you are? You act as if you know God better than I do. I have pointed out that you are in error and it pisses you off doesn’t it? Bite the bullet already. You are finished. You don’t have answers. You are just getting testy with me because Im trying to break your pride. My pride is already broken. God doesn’t want people filled with pride. Only God has the right to have pride. Pride in man is not acceptable by God. Since when have you EVER heard God say to ANYONE “take pride”? NEVER!!! Just read the Book of Job, God allowed bad things to happen to Job due to his PRIDE. You say you have “the pride of God”? God has no pride to give. His pride is for HIM not for you, not for me. I feel as though I am not worthy, I deserve NOTHING from Him. I feel as though the He should just end me. Boast in pride if you want, but just a word of warning, it won’t bring you happiness. I have answers to all those questions that I have posted. Because you don’t know the answers you just want to say some down right hateful things. Maybe I touched a nerve. I Must have “hurt your pride”. Get over it. And how dare you condemn me as a follower of satan. That piece of shit can go fuck himself.

Anonymous, you hurl insults at your own stupid self, no I don’t know you nor do you know me. Do you realize you hurt yourself at the things you said? Who do you think you are? You act as if you know God better than I do. I have pointed you out as a satan doer and it pisses you off doesn’t it? Read the Holy Bible already. Before you are finished. You will never have answers. You are getting angry with me because you never had no pride to break. Your pride was already broken. God doesn’t want satan doers filled with pride . Only God has the right to have pride. Pride in satan doers is not acceptable by God. Since when have you ever heard God say praise celebrities and evil doers? I been knew the book of Job before you was born, I always feel I am worthy, I deserve blessings from God, and evil doers will never have happiness, look Anonymous, if you are a true believer of God you would not say things like I feel as though he should just end me, so looks like to me you are the one that’s finished, God is against evil talk and murder and no you never touched not one nerve in my body, And it is not about giving you answers about a best selling book and crap. Just stop answering my comments ok, because it is more to your situation in which you are not telling, I no when someone is going through satans attacks. And nothing you ever said on here never pissed me off, trust me, I’d rather be pissed off at my own urine than to get pissed off about stupid words from people that does not know better. Do not send me no more comments.

26. wow there is a lot of anger circulating involving both parties. However one thing stands as true. There is only one God, and his person is Jesus Christ the Lord of all. You don’t have to give in to the idea that riches, and fame are the way to a fulfilled life. Only God can fill the void within YOU. Please do not chase after the [god] of this world only money. God’s true riches are his love, and his mercy.

34. This shit is stupid I would never become a Illuminati but see you guys when your burning in HELL!!! people just need a brain to understand this. You can become wealthy and famous without it!

35. they will leave the globe destroyed
36. You will need:

1 or more black, blue or red candles (as many as you like)

A sterilized needle or razor

A piece of clean paper, large enough to write the prayer below

A dry pen, where you sign your name in blood (dip the tip of the pen in your blood)

Write the following prayer:

Before the almighty and ineffable God Satan/Lucifer and in the presence of all Demons of Hell, who are the True and the Original gods, I, (state your full name) renounce any and all past allegiances. I renounce the false Judeo/Christian god Jehova, I renounce his vile and worthless son Jesus Christ, I renounce his foul, odious, and rotten holy spirit.

I proclaim Satan Lucifer as my one and only God. I promise to recognize and honor him in all things, without reservation, desiring in return, his manifold assistance in the successful completion of my endeavors.

It is important to bathe before any rituals you perform, this is done out of respect. When you are ready, you can light the candle. Take the needle, prick the index finger of your left hand, squeeze some blood out.

Sign your name in blood.

Recite the prayer either aloud or in your head

Fold the paper and let it burn in the fire of the candle. Many of us have stayed and meditated until the candle had burned itself out.

At the end of the ritual, close with the words "So mote it be." And a Big "HAIL SATAN!!"
Dora. Thanks for the info. Really though, you are just as bad as the God Worshippers. I can plainly see your nuts!

44. I do not consent and neither should you. These plans have been actualized over and over and GOD destroys it every time. Babylon, Atlantis, Egypt, Sodom and Gomorrorh, etc. These illuminati are used by Lucifer and he will betray them too. Illuminati members brains are seared and fuzzed with hive-like evil. They are jail bait themselves and will all burn in hell. Jesus will not be a pacifist when He returns but Almighty, strong, determined and a Warrior. It will be something to behold.
